Parasol de aluminio
Aluminium parasol
Parasol en aluminium

Parasol de distinguido diseño; el único de nuestra colección con mástil cuadrado. Es un parasol firme y sólido idóneo para grandes terrazas. Al ser tan resistente permite la fabricación de grandes medidas. El uso de una manivela facilita su apertura.

Parasol with a fine design; the only one in our collection with a square pole. It is a firm and solid parasol suitable for large terraces. Its resistance allows for manufacturing it in large sizes. The use of a crank makes it easy to open.

Parasol avec design distingué; le seul dans notre collection avec un mât carré. C'est un parasol ferme et solide idéal pour des grandes terrasses. Sa résistance permet la fabrication de grandes dimensions. L'utilisation d'une manivelle permet de l'ouvrir facilement.

Sistema telescópico con manivela manual.

Telescopic opening system with manual crank.

Système télescopique avec manivelle manuelle.

Varillas de perfil 20x40mm. Sujeción individual mediante tornillos.

Ribs section 20x40mm. Attached individually by screws.

Tiges profile 20x40mm. Fixation individuelle par vis.

Mástil de 100x100mm(3mm de grosor). Estructura de aluminio lacado blanco.

100x100mm pole. (3mm thick). White coated aluminium frame.

Mât de 100x100mm (3mm d'épaisseur). Monture en aluminium laqué blanc.
