

# Serie Niza

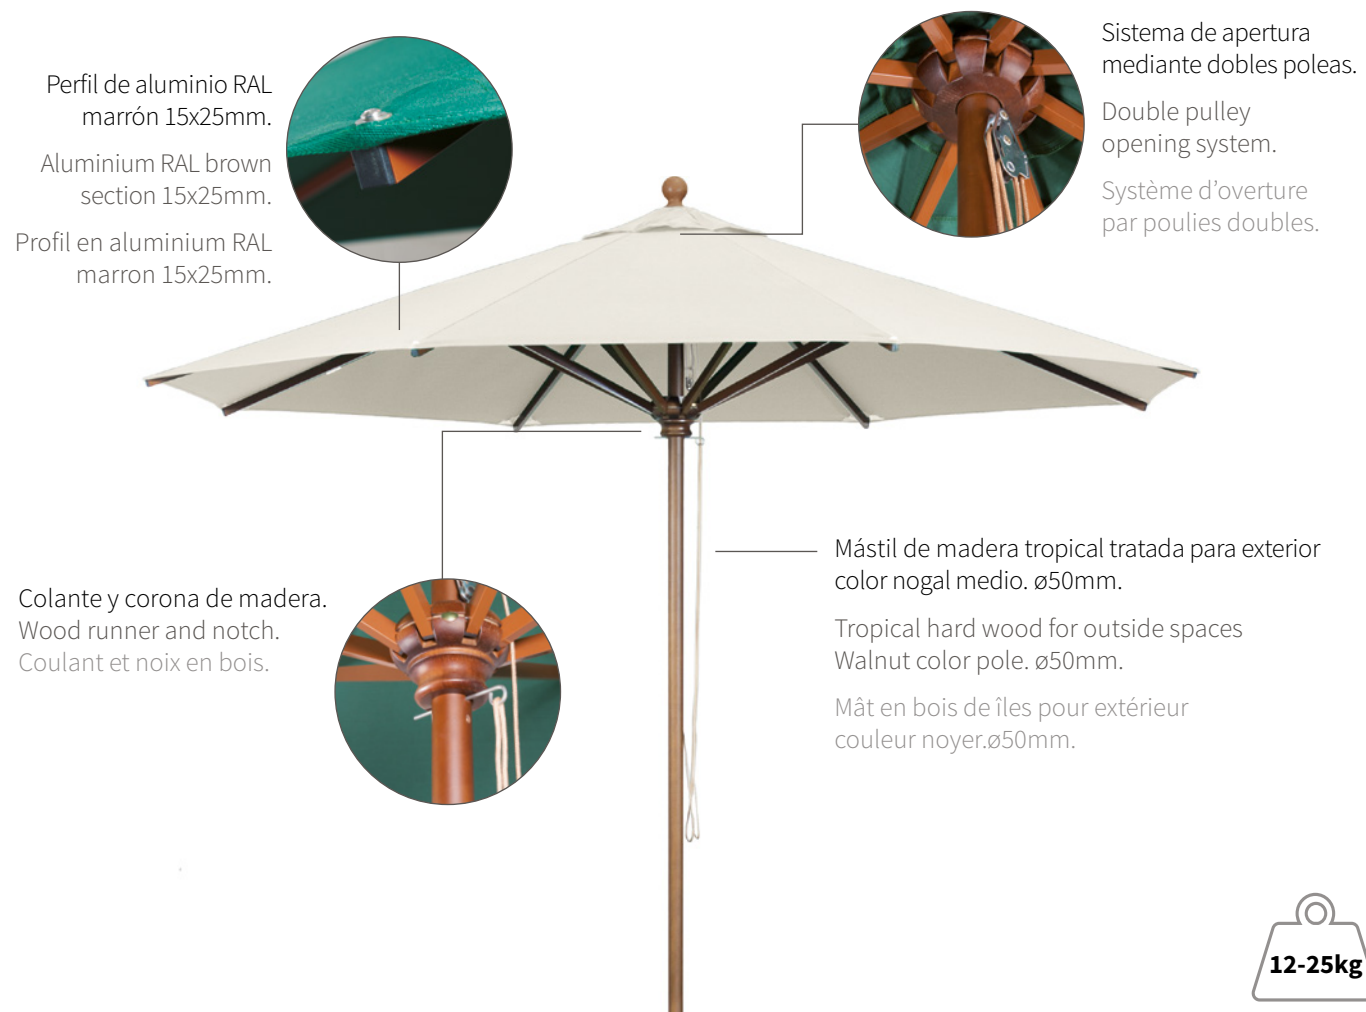

Parasol de madera  
Wood parasol  
Parasol en bois

Parasol ligero ideal para los amantes de la madera que buscan solidez en sus parasoles. Las varillas de aluminio marrón se mimetizan con la naturaleza obteniendo así la calidez de la madera con la resistencia del aluminio.

Lightweight parasol that is ideal for wood lovers looking for solidity in their parasols. The brown aluminium ribs blend in with nature, thus obtaining the warmth of wood combined with the strength of aluminium.

Parasol léger idéal pour les amoureux du bois qui recherchent la solidité dans leurs parasols. Les baleines d'aluminium marron se mélangent avec la nature pour offrir la chaleur du bois avec la force de l'aluminium.
